Re: Records Request

Dear Synova Cantrell:

Please be advised that your request for records from the Wichita Police Department (WPD) made pursuant to the Kansas Open Records Act (KORA) has been forwarded to me for response. You have requested any and all documents related to the murder of Patricia Magers on April 11, 1992

Your request for these records is respectfully denied based upon the following:

The records you request contain information that pertains an active and on-going criminal investigation. Pursuant to K.S.A. 45-221(a)(10)(B), a public agency is not required to release such records if disclosure thereof would interfere with such investigation.

Based upon the foregoing, your KORA request is considered as complete and closed by the City of Wichita.

Very truly yours,

Captain Travis Rakestraw,
Records Bureau

Police Department
